Maine Educational Opportunity Association

August 7, 2009

Greetings Colleagues;

The Maine Educational Opportunity Association's annual conference will be held on September 30th – October 2nd in beautiful Presque Isle, ME. The annual conference continues to be MEEOA's primary money maker, and revenues generated by the conference support our regional and national associations, fund our participation in policy seminar and provide support for professional development activities.

In support of MEEOA, we encourage you to sponsor an advertisement in our conference program. The enclosed form details the costs and layout options. The deadline for submitting camera ready copy is September 7, 2009.

We look forward to seeing you at the conference!

Sincerely,

Darylen & Shelli
