## **History of MEEOA (Dave and Al)**

There was no MEEOA originally, had been holding a State meetings

NCCEOA then NCOA then COE

1981- Dave went to 2<sup>nd</sup> Policy seminar Al and Dave held the State conference/meeting discussion point was to develop the Maine Association worked on it for a year developed a constitution

1982- became an Association in spring and started collecting dues

The association was the 1<sup>st</sup> State organization in New England to develop an association. Focus was on Advocacy and professional Development

Registered as a C-4 (Civic organization)

In 1988 the NCEOA (National Council Educational Opportunity Association) presented Arnold Mitchum with the first State Institutional Membership

1986- Al proposed a plan to rotate the conference to each state and the first one was then held in Maine

1993- Hosted 1<sup>st</sup> TRIO day in Portland, Maine cost \$15/student and 500 students attended.

## **Constitution Key Points- Kelly Illsman**

**President- Kelly-**

Would like all members to be able to vote and wonders what the process would be for that?  
Dave suggested We need to amend the constitution to make all committees Standing committees  
and give them all voting capabilities believes there is 30 days notice required.

Getting money for students to go to COE, start conversations about moving things forward e-mail, phone.

**President-Elect -Teri Morse:** what drew her in, she had a student go to Policy Seminar, was eager to get back and be a huge supporter of TRIO, Focus as pres-elect using alumni to get our story out, new to the Board looking for suggestions, help, guidance to get the most out of this experience

**Chris Turner** Not able to be here today

**Treasurer -Daniel Barton**

Full Treasures report will be e-mailed and added to these meeting minutes.

Expense Voucher: Mileage 40 cent/mile alone 45cent/mile car-pooled

MEEOA Budget nothing changed from income

Expenses voted to increase Fair share to COE>> increase that to \$2000 also put \$1000 to

Leadership Institute

Over the summer put together a conference booklet ad for COE cost of \$300

Proposed at April meeting

Changes: Mitchum Scholarship>> only paid \$500 rest went to COE

LLBean Gift card was donated to the Maine Basket

We had enough in reserve which is why the increase was set to increase the COE fair share, last year we knowingly spent more then we took in and expected to do the same this year because there is enough money in reserve.

First meeting for November 5,6,7 for Leadership Institute

Clarification on professional development money, Do we pay that out in increments? 4 awards each \$125 Daniel Barton will send out a clarification on this professional development money. Is there an application for these funds? No just send a proposal e-mail.

Clarifications about Budget:

Daniel will send Christy a copy of the Budget to Post included in the minutes.

How is the cost determined for Hall of Flags? \$400 Used previous years as estimated projected amount.

Last year invoice was sent out end of September for NEEOA membership

Proposed \$1200 with membership only raised \$800 and program membership was also down last year. That is why those projected amounts have decreased.

**Motion:** to Approve Budget, Daniel Barton Second: Kelly Ilseman Approved.

**Secretary's Report: Christy Le**

**Action:** Acceptance of June meeting minutes as is

Motion: motion to accept June's minutes: Daniel Barton. Second: Allan Parks

**Membership:**

Sandra was interested in Membership Coordinator for next year but Becky may be able to help with Membership for this Discussed some goals for this position.

How should we handle increasing Membership?

Dave-something that worked years ago is having someone visit the programs that are NOT participating in membership and that proved to be very effect

Casey has the membership DB to figure out who is up to date with membership new and renewed ect.

Daniel says that some professionals think that if they leave a TRIO position they can no longer participate in MEEEOA. There is a need to raise awareness that non-TRIO professionals can be part of MEEEOA.

Dave commented Lynn might be a good source with the Maine Can organization to get the word out and other institutions.

Al will forward contacts that he has been collecting to the membership coordinator.

Kelly, can we get the MEEOA logo out to the guidance offices in the schools? Casey has several examples from the NEOA website.

Develop something electronic or paper info out there into the community.

Daniel said some Feedback he received in the past from Guidance counselors is they can't take a professional dev day to come to the conference without a CEU credit. How do we offer Continuing Education certificates to further entice other educators that need professional development hours?

How can we offer workshops to reach Educators, Social workers, ect to entice them to come to MEEOA?

It has the potential to boost membership, it may have to be a completely separate training day focused on that group.

Boosting membership Now, have a brochure to hand out in High Schools?

Supplies and Printing some postcards: top ten reasons and a logo how much will that cost? Check into printing services a place in Bangor is used for the yearbooks.

### **Conference: Danette**

We have a great Theme and great Keynote in Mind Dr Schott great speaker about proficiency based curriculum.... Wants to make sure the conference has something for everyone.

Teri Suggested Professional portfolio development piece for a theme

Where and When? Week of Jan 5<sup>th</sup> proposals for Hotels have been sent out. Only proposal we have now is at the Four Points Hotel in Bangor. Talk about Bar Harbor, Black Bear Inn. What was the cost of the Four Points? Save the Date's for the Conference?

Corporate Sponsors? Camden National Bank they support the whole Association and not just the conference. Can FAME help with sponsoring?

It's a work in progress in the beginning stages, Pam will be taking care of the Auction and Becky will be doing Registration. Casey will handle all things Web related. Be sure to keep registration away from Auction Items.

Danette had a Question about the Alumni award being more formal presentation.

### **Alumni: Michelle Richards**

Have a DB and Website for Alumni

Nominations working on updating those forms we need to solidify a due by date

Discussion about doing something more with the Achievers and Rising Stars something more formal? Al stated that one of the TRIO achievers from NH would be willing to travel he would be a great speaker and alum of TRIO. Link them with Political representatives.

### **Hall Of Flags: Anthony Staffiere**

Date: Wed March 4<sup>th</sup> 2015 8:30 am – 12:00pm

Make it worth while for the groups that travel long distances. Make this more than just questions and shaking hands, he would Host on his campus, (UMA) have a mini-rally at UMA Before or After the Hall of Flags. Open for suggestions for other activities. Dave said in past they have had students testify during the hall of Flags. Check with the Education committee and the Labor dept to for potential adult participation. \$200 spent on catering is it being utilized to its best? Food has to come from In-house is Fruit an option? Healthier options other than donuts, having a smaller snack and beverages.

### **Website Casey Henderson**

A face-lift to the website consolidating info and got rid of older info

Still fixing some things within the website

Some things don't get updated until later in the year

Give a couple weeks notice for anything requiring registration please

Working on an Alumni Data base took longer than expected but there is a good portion of it Done. Public side is going good and Administrative Interface is able to generate lists.

When people add themselves it goes into a Que holding area to be approved it was a big problem with NEOA so took steps to prevent this. Up and running probably by the end Of September. If you have any questions e-mail or call Casey.

### **Nominations & Elections - Kelly**

Karen Keim, Lynn Ploof-Davis,  
Sandra , Becky Colannino

**Fair Share Coordinator - Dave**

We Met goal of 10-10 giving \$100 to COE 10 months at \$10/month

If you are not already giving \$100 you are strongly encouraged to do so it used to be the End of Jan now, If we get 15 we get a free policy seminar by the end of September 2014  
Maine's goal is 15

Our Institutions are doing their part on a whole.

**Development Committee - Alan/Dave**

FAME is a target to get support

We created a development committee within the strategic plan. Build long term relationships with businesses or organizations

Husson College –upped their contribution this year

Machias Savings Bank –sponsored yearbook

Camden National Bank

These connections meant to take the burden off the conference committee let this committee work on the fund-raising. Everything is electronic with sponsor names.

**Government Relations Coordinator - Dave**

Susan Collins was honorary Co-chair for COE Conference

Karen Keim put together meeting with New England representing Karen, Dave, Al, Lynn, Dori, Bridget Met with Senator for a ½ hour meeting They have not passed the appropriations Bill yet its still a work in progress.

**Leadership Coordinator (MELI)/Factbook Coordinator – Steve (not at meeting)**

Steve has agreed to do MELI again this year.

**Public Relations Coordinator - Alan/Karen (Karen not at meeting)**

Help folks write (if needed) and promote the articles that were written. Folks send us what they are submitting/ or what has been published and we forward it to other news vendors in hopes the story will be picked up. One of the stories last year was picked up by 58 national papers! It was a story about Patty Marshall, she was in the UMaine TS program and UMaine UB program.

Al is not sure he wants to be a co-chair for this committee not in a position to do this, he is willing to proof but not actually be a public relations coordinator.

**Other Business: Kelly**

TRIO days is in Maine this year, not sure who is doing what yet  
Karen, Randy and Tony are helping. Ginny is assisting with College visits  
Down to 2 hotels in Portland in negotiations Dates set school vacation week February  
19-20<sup>th</sup> Tony will send out a email to the listserv asking for help.

MEEOA bumper stickers?

Transition Manual MS Word version?

Membership up to \$25?

MEEOA fiduciary agent for UMaine Alumni Gathering Fall 2015

Al is coordinating State wide SSS director meeting

SSS-New Director Lisa Black –CMCC

MEEOA Bumper Stickers? Think about for getting the word out

Membership: \$20 seems low maybe raising the price to \$25? A good question to ask at the business meeting.

Effort to get a big Reunion for UMaine UB/ TRIO alums will be accepting donations bring this up at the next meeting they want to involve MEEOA with this to manage the money Daniel Al might have more info on this. Good compliment to our Alumni efforts.

I agree with Dave regarding corporate sponsorship and keeping things connected to Bangor. I also know what a challenge it is at Four Points to organize things from the conference perspective. I think the Black Bear would be my choice.

**Teri Morse**

Hi Kelly,  
My vote would be for the Black Bear Inn, only to try a new location....I also do not mind the Bangor Airport Hotel either.
